*[Monday November 11th- Philharmonic concert 7 pm, all Symphony musicians are welcome to attend!]*

At these rehearsals, we have a chance to rehearse on the stage with concert lighting and tech, and run the music for the concert with sound checks, since we're recording the performance. We will also take a professional group photo. Individual photos and orders are optional, taken by Behl's. Forms are available at rehearsal and on the website. We will take a HIGH SCHOOL SENIORS photo - all HS seniors should expect to stay for a few extra minutes for that photo, and seniors, college mentors, and conductors should also pose for an individual photo even if they are not ordering prints so we have it on file.

You should plan to stay at the Empire between rehearsal and concert.

Please invite friends and family to this exciting evening of music!

Links for signing up to volunteer are available online also.

**Tickets** are available at the door and are as follows: \$5 suggested minimum, pay what you can. No one will be denied admission, but if you able to contribute something to offset our concert costs it is appreciated.

Students will remain with the orchestra throughout the concert and can meet families afterward. We expect the concert to last approximately an hour. We will record the performance, and we are planning to livestream too. Please no flash photography, as it distracts musicians and audience!

**Concert dress** is as specified on the policy online at [www.nvyo.org](http://www.nvyo.org) in the "for members" section. Please take time to read this policy carefully, and contact me with any concerns or questions. **ALL concert clothing** is black this season. It should be formal/dressy. (A full black suit or tux with jacket may be worn with a white shirt, otherwise all items should be black. Please do not try to "stand out.")

Any weather-related announcements that occur in the next week will be posted on the [www.nvyo.org](http://www.nvyo.org) website, social media and the local news stations; an email will go out with any changes.
