SOUND INTERESTING?

Sometimes we have a try-it rehearsal so students can see what it is like at NVYO.

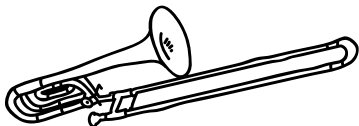

Come to our free try-it rehearsal on November 24th! If you have a good time and want to be part of NVYO, we'll make sure you know about our audition options and how you can join to start next semester or next year!

"Do I have to play an orchestra or band instrument to visit?"

Yes, this rehearsal is open to students who want to try playing in NVYO, and you need to play a string, wind, brass or percussion instrument found in a symphony.
